

KNOW YOUR NEIGHBOR BINGO!

The beginning of the school year is all about establishing classroom community. This game will encourage students to learn about one another and find out how much they have in common in a fun and active manner.

DIRECTIONS

Provide each student with a bingo sheet, writing utensil, and clipboard to write on. Students are to walk around the classroom finding students who match the boxes based on the description. When they find a match, students should add in the name of the student. Encourage students to ask at least one follow up question per box. First student to check off all of their boxes wins!

LEARNING OBJECTIVES

- Follow agreed-upon rules
- Participate effectively in a conversation through commenting and responding to others

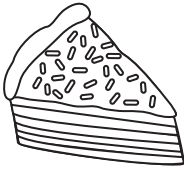

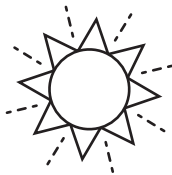

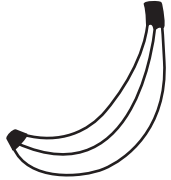

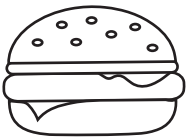

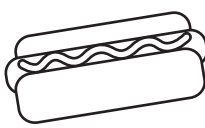

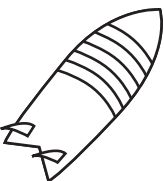

DIFFERENTIATING

- Young readers would benefit from the photos + text Bingo sheets. Two versions are provided at slightly different levels.
- Strong readers should be encouraged to use the text only Bingo sheet.
- A blank editable option is included for teachers looking to make their own class specific Bingo sheet.

RECOMMENDED CHILDREN'S BOOKS:

- *Who Is My Neighbor* by Amy-Jill Levine and Sandy Eisenberg Sasso
- *The Day You Begin* by Jacqueline Woodson

FIND SOMEONE WHO LIKES...
