

MATERIALS

Yoobi Glue
Yoobi Stamp Markers
Cardstock template
Yoobi Scissors
String

STEP-BY-STEP

- 1) Cut out and color in your Yoobi shapes
- 2) Fold them down the center line
- 3) Glue a half of one shape to a half of another until all 5 pieces circle back to one another
- 4) There will be a gap in the center of your glued shapes - so thread a piece of string through the top, and tie a knot on either side to keep your ornament in place
